

OceanGuard® Ammonia Fuel Supply System

- Modular Design & Redundancy Structure
- Flexible, Efficient, Safe & Reliable
- One-key Start & Fault Self-check

The system consists of ammonia fuel containment system, ammonia fuel supply module, BOG treatment system, auxiliary heating/cooling system and nitrogen generation unit and so on.

Approval in Principle (AIP)

DNV
STATEMENT OF APPROVAL
Headway Technology Group
Design of Ammonia Fuel Supply System

RINA
CERTIFICATE OF APPROVAL
No. 202200501

中国船级社
CHINA CLASSIFICATION SOCIETY
APPROVAL IN PRINCIPLE FOR MARINE PRODUCT
概念认可证书
CERTIFICATE OF CONCEPT APPROVAL

氨燃料供应系统
Ammonia Fuel Supply System
